Cotton and Fancy Chemises

Our chemises convey elegance and ease with draping angel-wing sleeves, a long sleeve cut to drape down the arm for a feminine look. We also offer short-sleeved and lace chemise for warmer weather.

Victorian Corsets

Our corsets are designed to give classic curves and a feminine hourglass shape. They are made with top quality designer fabrics. Each corset includes three layers of fabric for quality, comfort and style.

Saloon Skirts

Our saloon skirts are fun and flirty and can create many looks! Our skirts can be worn as a steampunk skirt, western dustpunk, belly dance skirt, and renaissance style.

Boho Vests & Airship Jackets

Dance and enchant in our beaded boho vest! The vest features a corset lacing front with two pieces of boning and grommets. The velvet airship jacket is very sexy, with an open front to show of your corset, and a sleek, distinguished collar. It looks great over a corset or with jeans!

Pirate Jackets

Rule the seven seas in this dashing pirate jacket, open in the front, sleeveless, and featuring dramatic tails. These are made with designer fabric and will stand up to all your carousing and festival fun!
